Why Our Chemical Products?

Quality, Quality and Quality

Quality of our products is paramount. It is a non-negotiable aspect when we sell our products. All our chemical products are tested, re-tested and inspected internally and by independent third party. It is to ensure we mean what we say. If we say it is min 99%, it is 99% or more.

Money Back Guarantee

If you elect to do independent testing or inspection* to the products you purchase from us and if the products do not meet the promised specifications, you can return^ the entire cargo to us. We will return all the monies you pay to us- immediately and no further question asked.

*testing can only be done by reputable third party companies, for example SGS.

^ product can only be returned before loading for shipment.

Peace of Mind

We personally:

1. Inspect all our associate factory sites to ensure they are for real and is still in operation.
2. Go through the factories' past transactions, records and complaints to ensure they are reputable factory and only send quality products- all the time.
3. Assess the owners, staff and the workers to determine if they have good working environment.

We have done all the hard works, so you can have a peace of mind knowing your order will arrive correctly, timely and in good conditions.

Competitive Pricing

After many years and many successful orders, we know what's best and at what price. Our pricing is among the most competitive for the high quality products we are offering.
